Summary

The village has a green on which cricket is played and there is a small, thatched pavilion with two changing rooms and toilets. The village cricket club is the only sports club in the village and plays in the Bedfordshire League. There is no junior cricket development. A small amount of wooden play equipment has been provided next to the pavilion. The smaller allotment has been turned into small pocket park area.

A new swing on play area by pavilion was installed in 2011 at a total cost of £2424.
