Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) will need to undertake various periods of statutory consultation on your proposals.

Boundary of Melbourn Parish

The Parish Council wishes to designate the entire parish as our Neighbourhood Planning Area. We have discussed this proposal with Neighbouring Parish Councils and received no objections or expressions of interest in preparing a joint Neighbourhood Plan.

The Parish boundary is well-defined and suitable for our purposes. We think it is advantageous to consider the future of the Parish as a whole to ensure that the needs and wishes of all our community are considered.

9 **Local publicity about your proposal to prepare a Neighbourhood Plan**
Please tell us what you have done so far to let your local community (e.g. residents, landowners, businesses) know you are considering preparing a Neighbourhood Plan for the proposed neighbourhood area. For example have you run public events, placed articles in the local press, made efforts to reach isolated residents?
