**New or improved facilities required to meet local need**

Sport	Improvements Needed

Sport	Facility Needed
Multi Sport Club	Small indoor hall

**Summary**

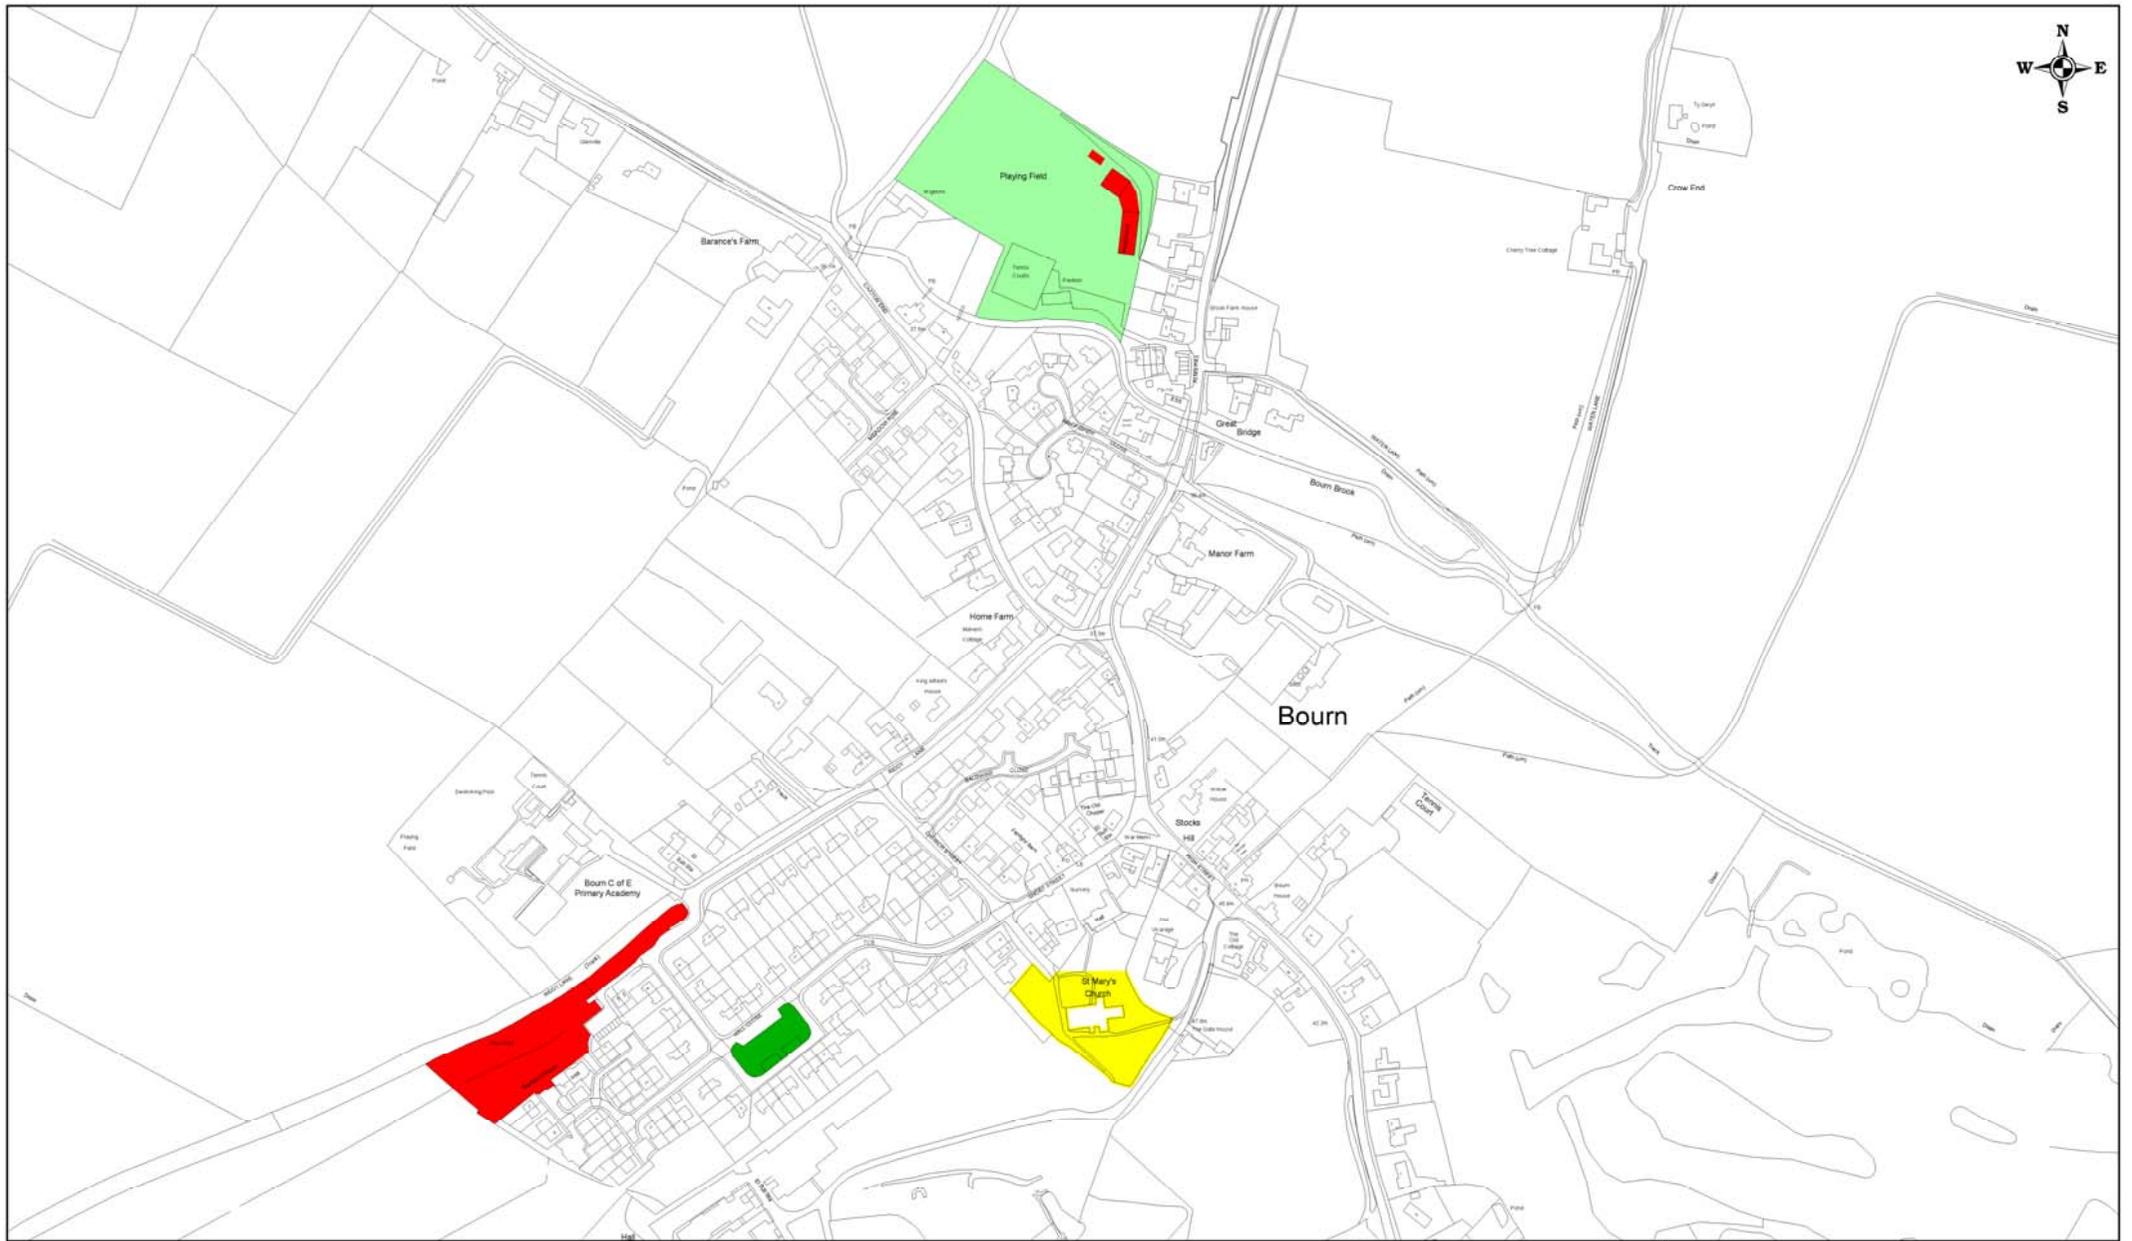

The village has one recreation ground with a range of youth and play provision, two hard tennis courts in excellent condition, a football pitch and pavilion. The play equipment has been upgraded within the last year and now is split into a range of areas.

2 football teams use the pitch but all are from outside the village - one from Hardwick and one from Eversden.

A Skate park was developed with a grant of £5810 towards total project cost of £16599 in 2010/11 and in 2009 a new practise wall was added to the tennis courts, the tennis courts were resurfaced in 2006 at a cost of £30000.

At the time of inspection the tennis court fencing was being repaired.

The new play area was installed in 2011 and was supported by the Big Lottery.
