Summary

There is one recreation ground in Weston Green primarily for cricket although it is big enough for one football pitch. The ground is well maintained and in very good condition, and includes play areas for young children.

The villages have one cricket club with junior and adult provision.

New mobile wicket covers were added in 2011 at a cost of £5000

The parish council obtained approval from SCDC to extend the play area adjacent to the recreation ground at The Green. However, the restrictions imposed were considered by the parish council to be too onerous to justify the expense.
