Summary

The village has one recreation ground with two senior football pitches and a mini soccer pitch.

The pavilion is an old Cambridgeshire County Council barn structure, which has two changing rooms and also a sports hall the size of one badminton court. There is a need for additional changing facilities to cater for when two football matches are played at the same time.

The current pitch provision meets the need of Litlington Football Club, which has two adult teams. There are plans to enlarge the pavilion.
