Summary

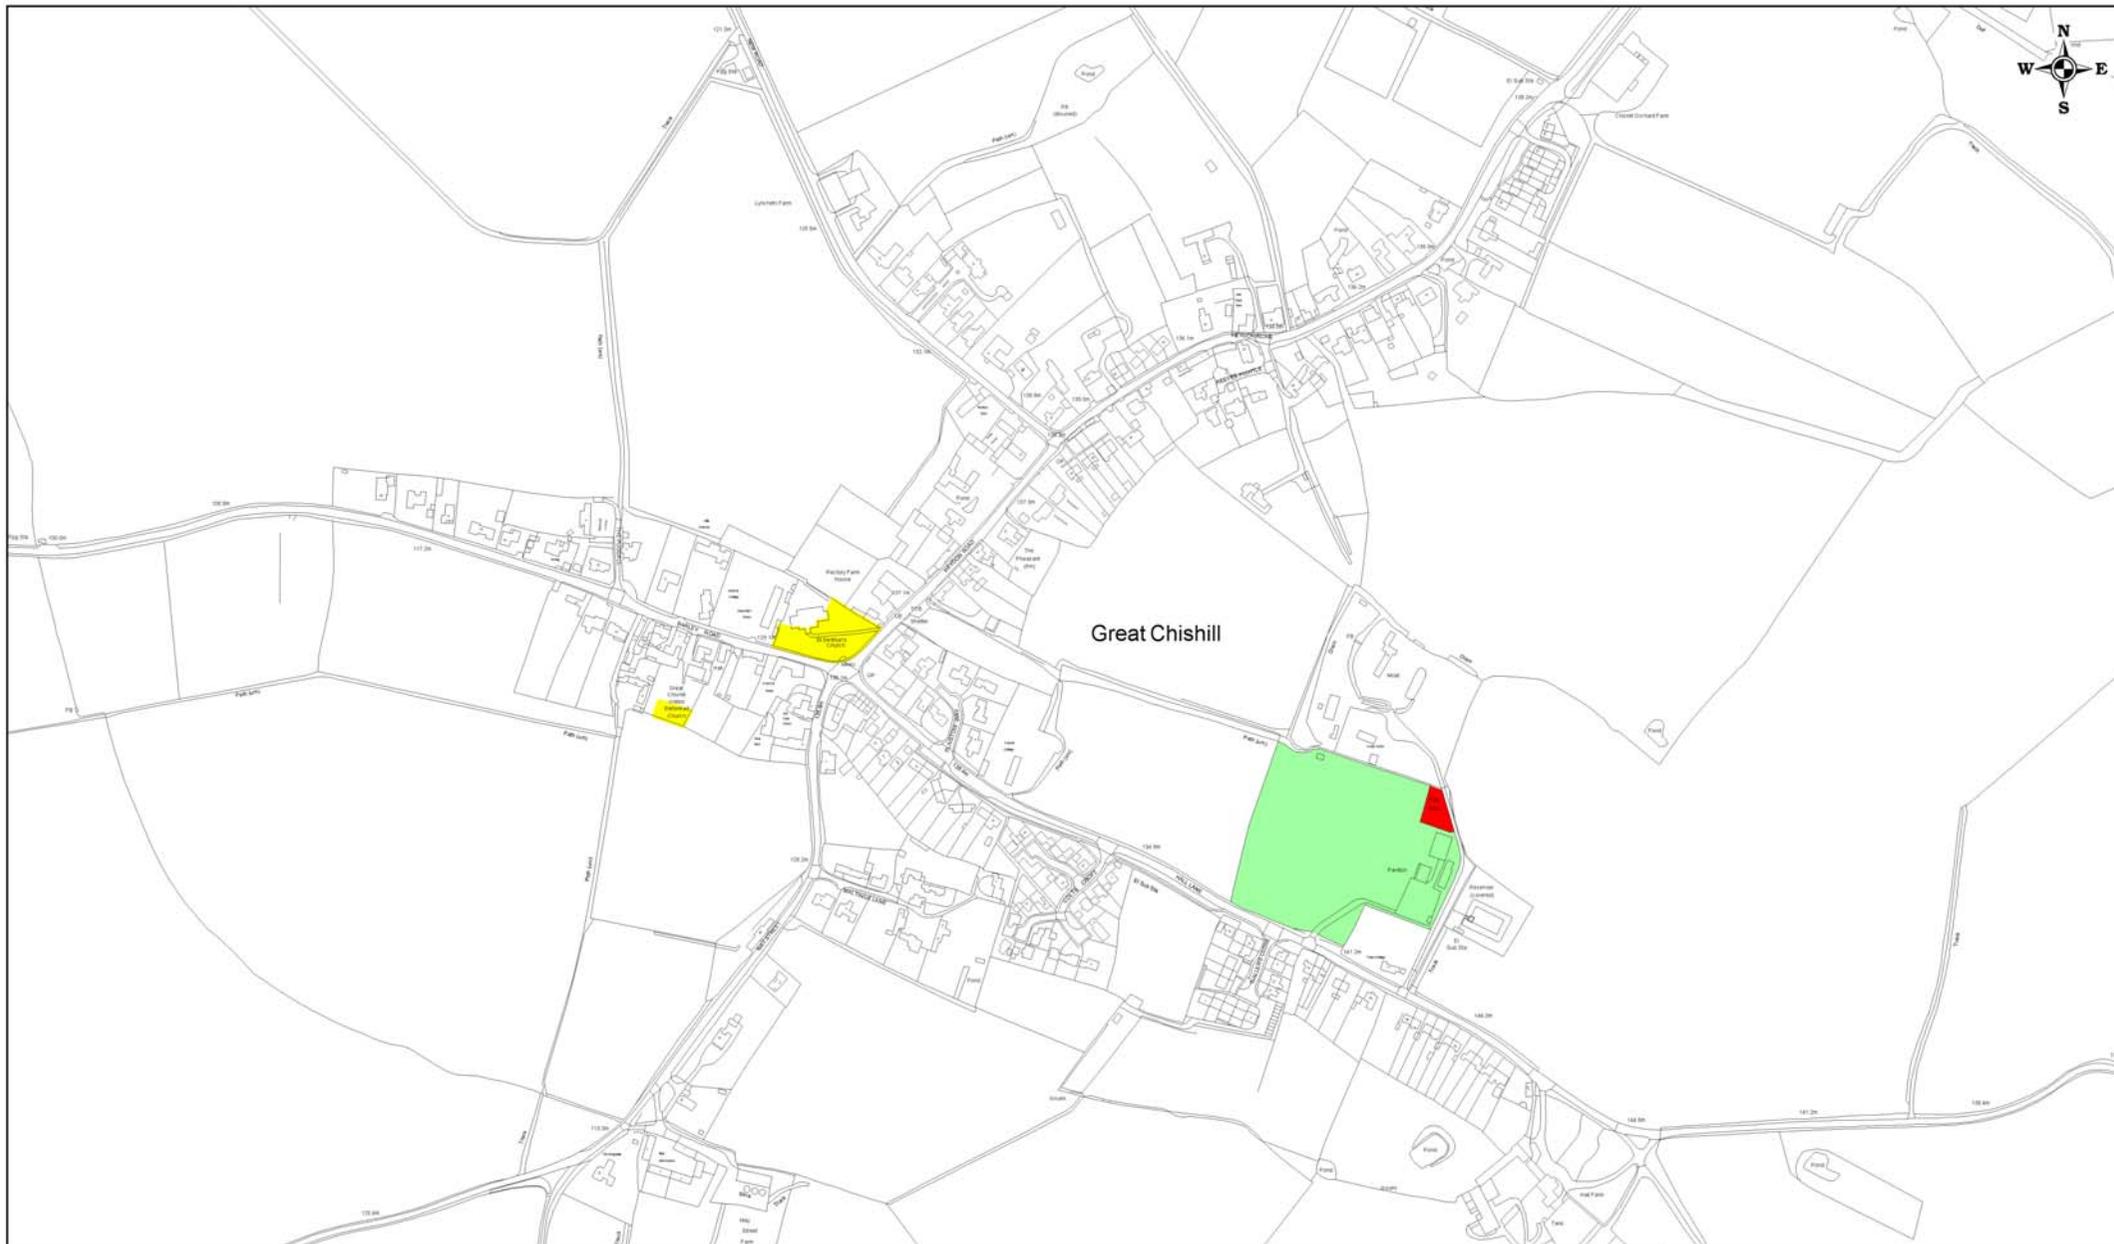

The Parish has one recreation ground with a senior football pitch and cricket square and playground.

The pavilion has been refurbished.

The drainage has been improved on the pitches and they are now in good condition. The Parish Council would like to purchase additional land on an adjacent farmer's field. This would be used to develop a MUGA for use by Great and Little Chishill

Tennis Club who currently play 8 miles away at Melbourn Village College, as there are no courts in the village. The village is quite isolated so the Parish Council is keen to provide for local young people and a facility of this nature could also be used for football training.

There is currently no junior football provision.
