Summary

The village has a large recreation ground with a football and cricket pitch

The main pavilion is old and very basic and requires updating, particularly in relation to disabled access and in order to meet the need of the football and cricket clubs. The pavilion is privately owned and maintained, however the Parish Council is considering acquiring it.

There are both football and cricket teams and a junior cricket team has been developed.

A new play area is in the process of being developed and includes an informal MUGA with basketball court and five aside goals. A range of equipment is provided.
