

Village Classification Report – Errata (June 2013)

Appendix 2 – Detailed Results Table

Over has a part time mobile post office, present in the village on weekday mornings.
Over has a pharmacy in the Doctors Surgery.

Hardwick Primary School also functions as a village hall.

Appendix 6 – Floorspace of food retailers by village

Add:

Over Store, 30 High Street Over CB24 5ND - Gross 91m2 net 76m2

Scoring in Village Classification Report

The following provides a breakdown of the scoring using in tables on page 8, and in appendix 2 of the report

Public Transport

Score 3 if 20minute frequency service or better

Score 0 if less frequent

Note: the report on page 7 describes max score of 2. In finalising it was changed to three to better differentiate better served villages, and to balance the factors. This was not updated in the key.

It also describes 30 min service scored as 1, which was not implemented in the table. This would give an extra point to Linton and Milton.

Access to guided bus - Longstanton and Over not considered to have good access due to the distance from the Guided Busway stops. Their local services provide an hourly bus service, and they did not score points for public transport.

Secondary Education

3 points if has village college

1 point if GOOD public transport to a Village College serving the village.
(Cambourne scored 3 as Village College under construction)

Note: the report on page 7 describes max score of 2. In finalising it was changed to three to better differentiate better served villages, and to balance the factors. This was not updated in the key.

Village Services and Facilities

Total points available 6, from the following three parts. Break down of the scoring for each village at end of this note.

Part 1 – services

Identifies presence of ATM, doctors (FT/PT), Library FT/PT), Pharmacy, Post office (FT/PT), Primary School, Pub, Food Shop.

If all present and full time – 2 points.

Up to 3 missing or part time – 1 point

If more missing – 0 points

Part 2 food

Based on floor area of shopping in appendix 6

1000m² or greater = 2 points

300m² or greater = 1 point

Less than 300m² = 0

Part 3 Range of services and facilities

Data on services from the villages services and facilities study

Greater than 40 = 2 points

Between 20 and 40 = 1 point

Less than 20 = 0 points

Access to Employment

Workplace population: Employed Residents 2009: ratio greater than 1 = 2 points

Ratio 0.5 to 1 = 1 point

Less than 1.5 = 0 points

SCORING BREAKDOWN FOR SERVICES AND FACILITIES

Sawston

Services = all full time = 2 points

Food - 1000m²+ 2 points

Shops and services – over 40 = 2 points

Histon

Services = all full time = 2 points

Food - 300m²+ 1 points

Shops and services – over 40 = 2 points

Total = 5

Cambourne

Services = all full time = 2 points

Food - 1000m²+ 2 points

Shops and services – over 20 = 1 points

Total = 5

Great Shelford & Stapleford

Services = all full time = 2 points

Food - 1000m²+ 2 points

Shops and services – over 20 = 1 points

Total = 5
