Within South Cambridgeshire District only Parish Councils can apply for Neighbourhood Area designation. These will be the 'qualifying body' in this District – a term used in the regulations for Neighbourhood Planning. As the Local Planning Authority, South Cambridgeshire District Council (the Council) may need to undertake various periods of statutory consultation on your proposals.

There was strong support amongst residents for the Parish Council to commence work on a Neighbourhood plan. On 7th August 2019 a further public village meeting was held including a talk from the Chair of Greater Abington Parish Council on the process Abington had followed to achieve their neighbourhood plan. Information about both meetings was included in the village magazine, The Venture and on the village website. The parish council minutes have also included the council's discussion and support for neighbourhood planning at meetings on 13th May, 9th July and 9th September, as well as the meetings described above. All of these interactions have generated support for a Horseheath neighbourhood plan. Subsequently a small group, led by the Parish Council but including residents and representatives of the Village Hall and Church, met on the 18th September with South Cambridgeshire Council Officers to discuss the process and available support. At this meeting the boundary was agreed to be that of the Parish. This application is subsequent to that meeting and discussion at the Parish council on 11th November 2019.</p>

Application for Neighbourhood Area designation

This is the first formal step in the development of a Neighbourhood Plan – a Neighbourhood Area must be designated before a Neighbourhood Plan can be developed. We recommend discussing your objectives with Council officers prior to completing this form, to ascertain whether this is the most appropriate vehicle for you and what support is available to develop your Plan. Working with neighbouring parishes with similar issues could reduce the workload and increase the pool of expertise and knowledge needed for the production of a Neighbourhood Plan.

Community engagement and consultation may need to take place before making an application to designate a Neighbourhood Area. Does the local community support the production of a Neighbourhood Plan? What are the issues as they see them? What Neighbourhood Area boundary options have they been given? Have they expressed a preference? Details of this community engagement should be detailed in Question 9.

Qualifying Body (sometimes referred to as the ‘relevant body’)

Applications must include a statement confirming that the parish council is the qualifying body. Your application is not complete without this information.

Areas with no parish council

Parish meetings can either get involved with the Neighbourhood Planning in an adjoining parish or apply to the Council to be designated as a Neighbourhood Forum, which can prepare its own Plan. If you think this applies to you, please contact the Council for assistance.
