All purpose pavilion	Pavilion extension

Sport	Facility Needed

Summary

The village has one recreation ground on the same site as the village hall and one opposite the school. Within the village there are two senior football pitches and a MUGA for netball, tennis and football.

Improvements to the play area took place in 2011 with a grant of £1100 being awarded against a project total of £5900

The toilets and disabled access were refurbished in 2008 for a total of £28880

Local people with an interest in cricket normally play in nearby Thriplow and the reverse happens with football.

The allotments are very poor and do not look as though they are being used.
