

Local Plan Workshops with Parish Councils – July 2012

Record of Attendance

A series of workshops with Parish Councils and District Councillors were held in July 2012. The purpose of these workshops was to explore how the Local Plan can help deliver Parish aspirations and to inform Parish Councils of the issues most relevant to them to assist them with making their responses to the Issues and Options public consultation.

Notes of the workshops are published in the Statement of Consultation (Appendix B): <https://www.scambs.gov.uk/content/statement-of-consultation>. The notes do not record attendance and therefore attendance details are recorded in this supplementary note.
